IMPORTANT NOTICES TO ALL STUDENTS

CSU FEE DISCLAIMER

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

CAMPUS WIDE IDENTIFICATION NUMBER

Due to state laws concerning identity theft, California State University, Fullerton assigns all students a campus wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with their CWID number for conducting university business and making academic inquiries.

EMAIL ADDRESS

Each student has been issued an email address where university messages will be sent to the student. For additional information about your email account, contact (657) 278-8888. Many campus offices are utilizing email as the primary communication mode to the student. Be sure to check your CSUF email account on a regular basis.

MAILING ADDRESS

You are required to keep your mailing address, email address, and phone number current with the university to ensure that you receive all university communications. Your address can be updated online through your Titan Online Student Center. Your official address on record will be used for mailing your parking permit. For additional information about parking permits, visit parking.fullerton.edu.

Although this Registration Guide was prepared on the basis of the best information available at the time, all information including class meeting times and locations, faculty, course offerings and statements of fees is subject to change without notice or obligation. The university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled. This Registration Guide is published by Registration and Records.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester well in advance of registration. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advising is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advising Center in (GH-123B). Advising is offered on a walk-in and virtual basis Monday through Friday and all students must run a current copy of their Titan Degree Audit (TDA) to meet with an academic advisor.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental advisor well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC FREEDOM AND RESPONSIBILITY

The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

The area of College Access and Career Pathways consists of departments dedicated to building a pipeline of college success from outreach, admissions, funding education, community engagement, and career development. This includes departments like the Office of Admissions, Financial Aid, Career Center, Center for Internships and Community Engagement, Educational Partners, and Outreach, Recruitment, and Orientation.

The area of Identity and Belonging consists of departments dedicated to the priorities of diversity, inclusion, and supporting students in a meaningful way to give a sense of belonging and connectedness. This includes department like Diversity Initiatives and Resource Centers, Women's and Adult Reentry Center, Assistant Deans, First Year Experience, Tuffy's Graduation Scholars, Student Support Services, Supplemental Instruction, Veterans Resource Center, Male Success Initiative, Educational Opportunity Program, the Center for Scholars, and Athletics Academic Services.

AUDITING

The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last
day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside cover of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CLASS ATTENDANCE

While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees in order to admit persons on waiting lists. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). For students enrolled in online, hybrid, or televised courses, meetings are defined as logging on to the course on the Learning Management System (e.g., Canvas). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is a student's responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty if submitted by February 7, 2022.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the university may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with Registration and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT - GRADUATE STUDENTS WITH MASTERS' DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Enrollment in Graduate Studies 700 is through regular registration and is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the university and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extension and International Programs (EIP) if qualified. Students must notify their Graduate Advisor if they need to enroll in GRAD 700.

If you are unsure as to whether GRAD 700 applies to your situation, contact your Program Advisor.

CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES

A postbaccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

COURSE SYLLABI

Course syllabi, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs and Enrollment, and with course descriptions in the university catalog, must be provided to students in writing within the first five days of instruction.

Course syllabi shall give detailed information on the following matters: (1) course material to be covered (e.g., reading list); (2) the grading policy for the course; (3) class assignments (e.g., term papers-length, due date, projects);
and (4) examination dates and make-up policy, if any, and the required or permissible materials or equipment which may be used in testing situations; (5) required or permissible materials and/or equipment, (e.g., texts, materials, or equipment, including calculators, software, artistic materials, scientific apparatus, etc.)

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions and UPS 300.004 The faculty member shall also provide these materials to the department chair.

**DEGREE CANDIDATES**

Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2022 must file by February 6, 2022. Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under "Graduation."

Candidates for May 2022 master's and doctorate degrees must file a request for a graduation check on or before February 14, 2022. The form to accomplish this is available on your student portal under "Self Service" (click on Other Academics).

A change in anticipated date of graduation may be requested by emailing the Graduation Unit at gradunit@fullerton.edu for undergraduate students, and with contacting the Graduate Studies Office (CP-950) for graduate students.

**GRADE OPTIONS**

The university uses a combination of traditional and nontraditional grading options as follows:

**TRADITIONAL**

**NONTRADITIONAL**

CR - C (2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses.

NC - No credit

Students may indicate the grading basis for each course when they register. They have until the deadline published in the front cover of the registration guide to change an option. If grading for a course is listed as "Undergraduate Student Option", the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under "Grading" at the time you enroll in the class. Grade basis can be made online through the second week of classes. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading basis. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Limited courses with a grade of CR may be used for the master's or doctorate degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

**ADVISORY CAUTION**

Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade and not a credit/no credit.

**INCOMPLETE AUTHORIZED (I)**

The symbol 'I' (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the incomplete is assigned, which would replace the 'I' in the student's record at the end of the one year deadline. Therefore, 'I' grades that were earned for the Fall 2021 semester must be completed by January 3, 2023. 'I' grades assigned at the end of the Spring 2022 semester must be completed by May 26, 2023.

The IC symbol counts as a failing grade for grade point average and grade point balance computations.
A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student's control. Such reasons are assumed to include: illness of the student or members of the student's immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall submit the online Incomplete Grade Form for future reference and student access. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements.

A copy of the form will be sent to the student. The student should review this form at the earliest opportunity.

The form will indicate the quality of the student's work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the Incomplete grade rests with the instructor.

**INDEPENDENT STUDY**

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office and shall include a statement of the basis for final evaluation of the independent study.

You may not take more than six units of independent study at the undergraduate level in a given semester or apply more than nine units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than six units of independent study toward the completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower-division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

**INTERNSHIPS AND COMMUNITY ENGAGEMENT**

Earn course credit while gaining practical experience related to your major by registering for an academic internship or service-learning course. Check your department for requirements and prerequisites. Be sure to start early (sometimes a semester ahead), especially if an academic internship is a graduation requirement for your major. Many placements are available at businesses, nonprofit organizations and government agencies at locations throughout southern California and opportunities may also be available out of state or overseas.

Experiential learning opportunities are high impact practices that allow students to expand their knowledge, apply theories and skills learned in the classroom, prepare for successful entry into the job market, and develop as socially responsible citizens. Participating in high impact practices like internships and service-learning can keep students on track for graduation, and prepare them for meaningful careers. Additionally, academic internship and service-learning courses offer opportunities for students to:

- Build your résumé / portfolio
- Gain work and service experiences
- Network and develop industry contacts
- Earn academic credit
- Solidify academic and career goals
- Possibly earn money while learning
- Explore various career options within a major
- Demonstrate personal and social responsibility
- Become engaged in your community and the issues that matter to you.

To learn more about the opportunities available within your major, contact your department of study or visit the CICE website at [www.fullerton.edu/cice](http://www.fullerton.edu/cice). You can also call us at (657) 278-3746.

**STOP-OUT POLICY**

The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton. Service members who are called to active duty or deployed should check with veteran's certification at (657) 278-2373.

**LEAVE OF ABSENCE**

**LEAVE OF ABSENCE - UNDERGRADUATE AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS**
A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed one semester at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave. Please submit your Request for Leave of Absence online.

**LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS**

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available on the Graduate Studies website: fullerton.edu/graduate. Students must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

**LIBRARY HOURS**

Library hours are subject to change and some areas have limited service hours. For the latest information on library hours, call (657) 278-2633, or point your browser to: library.fullerton.edu.

**NONDISCRIMINATION POLICY**

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, "Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students" was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.

It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Order 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.

**OPEN UNIVERSITY ENROLLMENT**

Open University Enrollment provides an opportunity for people not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level courses. Registration is on a space-available basis at the start of the semester and students must meet stated prerequisite requirements. Information is available from Extension and International Programs (EIP) at ou.fullerton.edu. Students enrolling through Open University are encouraged to contact Open University Advisors Suzanne Batista, sbatista@fullerton.edu (GH-123B, (657) 278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (Titan Hall 1123, (657) 278-7644) with any questions prior to registering.

A maximum of 24 units earned through Open University may count towards a bachelor's degree. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor's degree. For graduate degrees, normally 9
units may apply. Please consult the graduate department advisor. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

**REPEAT POLICY**

**GRADE FORGIVENESS (16-UNIT LIMIT)**  
An undergraduate student may repeat up to 16 units of course work with 'Grade Forgiveness'. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus. Repeat policy will be automatically applied to courses repeated each semester during final grade processing at the end of the term.

**GRADES AVERAGED (12-UNIT LIMIT)**  
An undergraduate may repeat up to 12 units of course work with 'Grades Averaged', beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student's GPA.

**MAXIMUM REPEAT LIMIT (28-UNITS)**  
The 16 units of 'Grade Forgiveness' and the 12 units of 'Grades Averaged' comprise the maximum repeat limit of 28 units for an undergraduate student.

**REGULATION AGAINST REPEAT OF COURSES WITH 'C' GRADE OR BETTER**  
Undergraduate students may not repeat a course in which a grade of 'C' or better has already been earned. This does not apply to those courses noted in the university catalog as "may be repeated for credit".

**REGULATION AGAINST REPEAT OF A COURSE WITH AN 'I' CURRENTLY ON RECORD**  
A student may not re-enroll in a course for which he or she has received an 'I' until the 'I' has either been assigned a final grade, or been converted to an 'IC'.

For further information on Undergraduate Repeat Policy, see [records.fullerton.edu/academics](http://records.fullerton.edu/academics). Select "Academic Regulations" and scroll down to "Repeat Policy".

**WITHDRAWAL LIMIT**  
Undergraduate students are limited to a maximum of 18 units of withdrawal ("W" on transcript) during their CSUF career, from Fall 2009 forward. "W's" earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit. For further information, see [http://records.fullerton.edu/academics](http://records.fullerton.edu/academics). Select Academic Regulations, scroll down to Withdrawal Unofficial, and click on frequently asked questions link.

**ACADEMIC DISHONESTY**  
Academic dishonesty includes but is not limited to cheating, plagiarism, unauthorized collaboration, falsification/fabrication of information, and any act designed to give an unfair academic advantage. Academic dishonesty typically involves any attempt by a student to falsely show possession of a level of knowledge or skill in which they do not possess. These acts can occur on examinations, assignments, presentations, or other academic-related assignments.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor convinced by reasonable evidence that a student is responsible for academic dishonesty shall:

1. Notify the student involved and provide the student an opportunity to respond to the complaint.
2. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
3. Report the student involved to the department chair and Student Conduct in the Dean of Students Office. The report should include information about the alleged incident, relevant documents and evidence, and the instructor's actions to address the incident.

Student Conduct will maintain an academic dishonesty file of all cases with the appropriate documentation. When two or more incidents involving the same student occur, Student Conduct will initiate disciplinary proceedings. Students will be informed of their student conduct record any disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Executive Order 1098, and relevant appeals processes accessible to them.

A student may appeal any action taken on an allegation of academic dishonesty under the University Policy Statement 300.030, Academic Appeals. See "Academic Appeals" in the "Student Affairs" section of the university catalog.

For undergraduate students who receive a grade of a C minus or lower due to disciplinary reasons such as academic dishonesty, the repetition of course policy for grade forgiveness shall not be applicable for the course in question.

SEXUAL HARASSMENT/ SEXUAL MISCONDUCT POLICY

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment and sexual misconduct of its students, employees, and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and California Education Code Section 89535. CSU Executive Order 1097 "Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy" prohibits sexual harassment within the CSU system. The University will take action to eliminate sexual harassment and similar behavior. Information concerning campus sexual harassment policies and procedures, can be obtained from Sauer Bauer, Title IX Coordinator, College Park, Suite 205, (657) 278-2121 or visit fullerton.edu/titleix.

TITLE IX

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex. The California State University does not discriminate based on sex in any educational programs or activities that the CSU operates, including admissions and employment. Any inquiries regarding the application of Title IX may be referred to the University Title IX Coordinator at:

- Sarah Bauer, Title IX Coordinator; 2600 Nutwood Ave Suite 205, Fullerton, CA 92831; sarahbauer@fullerton.edu (657) 278-2929; fullerton.edu/titleix.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS

The university's policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President's Directive No. 16. Please see http://directive16.fullerton.edu.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition,
related expenses and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number is also required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student's account number. A student’s Titan Card number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student's identification number on the check if it is not referenced. If a student prefers that their student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or when appropriate (other than mail-in or drop-off registration) and cash. Use of the student identification number assures credit to the correct student university account.

**VOLUNTARY STUDENT HEALTH INSURANCE**

Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance, since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy at (657) 278-2401.
SMOKING POLICY

I. CSU EXECUTIVE ORDER 1108

California State University, Fullerton is committed to a healthy and productive environment. As such, and in light of well-established health risks associated with exposure to secondhand smoke, California State University, Fullerton prohibits smoking in all interior and exterior campus areas and locations effective August 1, 2013 as specified below:

- Buildings (including residence halls), structures (including parking structures), and outdoor areas owned, leased or rented by the university or one of its auxiliaries whether located on or off the Fullerton main campus.
- Vehicles owned, leased or rented by the university or one of the university’s auxiliaries.
- Vehicles on university-owned, leased, or rented land or in university-owned, leased, or rented parking structures.

The sale or distribution of any tobacco product, including smokeless tobacco products, also is prohibited. Additionally, sponsorship of a university activity or event by a tobacco product manufacturer is prohibited unless explicitly authorized in writing by the university president or designee.

II. AUTHORITY

The California State University Board of Trustees has issued Executive Order 1108, Policy on System wide Smoke and Tobacco Free Environment.

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; and California Government Code Section 7597.

III. SCOPE

This policy applies to all university faculty, staff, students and visitors and to all interior and exterior campus areas and locations identified in Section I.

Smoking in university-sponsored theater and dance productions, student-authored or sponsored scenes, showcases or workshops produced as part of the department of theatre and dance season may be authorized by the President or designee only when a required part of a specific performance. Smoking in Associated Students-sponsored performances may be authorized only when listed in a script as a required part of a performance and only when approved by the President or designee.

IV. DEFINITIONS

"Smoke" or "Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, cigarillo, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or in any form. "Smoke" or "Smoking" also includes the use of an electronic smoking device that creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

V. IMPLEMENTATION

The Vice President for Human Resources, Diversity, and Inclusion has overall responsibility for implementing this policy. To provide adequate time to create awareness, outreach, and educational programs, including smoking cessation and counseling programs, this policy is effective August 1, 2013 and supersedes all previous university smoking policies. Prior to this effective date, the previous university smoking policy will remain in effect.

The Office of Environmental Health and Safety will collaborate with the following entities to provide faculty, staff, students and visitors with notice of this policy through signs, presentations, and publications, and to develop tobacco education programs, smoking cessation programs, and other suitable outreach and counseling programs.

- Student Wellness & Counseling and Psychological Center Services
- Human Resources, Diversity, and Inclusion
- Faculty Affairs and Records
- Strategic Communications
- Dean of Students
- International Students and Scholars Office

VI. ACCOUNTABILITY

The success of this policy depends on the thoughtfulness, civility and cooperation of all members of the campus community, including visitors. Compliance is grounded in an informed and educated campus community. Incidents related to this policy will be addressed through applicable administrative processes. Questions may be directed to the Director of Environmental Health and Safety or the Director of University Risk Management.

WITHDRAWAL UNAUTHORIZED (WU)

University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course attendance without submitting an official, approved withdrawal form online, may result in a ‘WU’ (Withdrawal Unauthorized) being assigned by the course professor at the end of the semester.

When a WU is assigned, the grading basis selected by the student at the time of registration for the course determines what displays on the student transcript:

- If the student registered for the class with a grading basis of 'letter grade', the symbol on the CSUF transcript appears as WU, and is equivalent to an F in GPA calculations.
- If the student registered for the class with a grading basis of 'credit/no credit', an assigned 'WU' would be recorded as NC* which does not impact GPA calculations.
- NOTE: The grading basis available for a class depends on how the course is being offered. Some courses are offered as 'letter grade only', some as 'credit/no credit only' and some courses offer students a choice of either 'letter grade' or 'credit/no credit'.

In the first semester at CSUF that a WU is assigned to a student, any and all WU's that are posted to the student record during the final grading period for that semester are automatically converted to a W during the grading cycle at the end of that term. The student is notified that this is a "one time only" provision. This auto-conversion will not occur in future semesters.

For future occurrences, students may petition for retroactive withdrawal from courses by using the retroactive withdrawal petition process when serious and compelling circumstances occurred during the semester being petitioned. A serious and compelling reason is defined as a physical, medical, emotional or other condition which has the effect of limiting the student's full participation in the class and which is clearly beyond the student's control. The student must provide independent documentation (from a source other than the student, or the student's family or friends) to verify the serious and compelling circumstances that occurred during the semester being petitioned which resulted in the student receiving a WU or NC*. There are also specific time limits for submitting retroactive withdrawal petitions. Further information on these time limits can be viewed online at: http://records.fullerton.edu/ - select the 'Forms' tab and scroll down to 'Petitions'.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU will be removed from the GPA. Petition forms are available online at http://records.fullerton.edu/resources/.

*The census date is approximately at the end of the fourth week of classes. (See the 'Semester Calendar' section in the online Registration Guide each term for the applicable census date).

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt," until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Business Services. Student Business Services or another office on campus to which Student Business Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

THE PRESIDENT'S DIRECTIVE NO. 17

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

I. DIRECTIVE

The Family Educational Rights and Privacy Act ("FERPA") and California State University Executive Order 796 ("EO 796") afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedent.

II. AUTHORITY

III. SCOPE

This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or if accepted, do not attend the University.

IV. DEFINITIONS

A. Directory Information. A student's name, date and place of birth, permanent and local address, University-recognized email address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a "legitimate educational interest" if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney,
auditor or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION

A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A) depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student's Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only "Verification" information. This sub-category of Directory information consists of a student's name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized email address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only "Verification" information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805 or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. ACCOUNTABILITY

A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

Reviewed and approved by President Milton A. Gordon on March 17, 2011.

All incoming freshmen are required to take a class that meets the Math GE requirement (B.4) during their first year. Furthermore, incoming freshmen in the following majors must complete the GE B.4 requirement by enrolling in a specific GE math class that is part of their academic major or minor during their first semester:

<table>
<thead>
<tr>
<th>Biological Science (B.S.)</th>
<th>Engineering Undeclared</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biochemistry (B.S.)</td>
<td>Geology (B.S.)</td>
</tr>
<tr>
<td>Chemistry (B.S./B.A.)</td>
<td>Mathematics (B.A.)</td>
</tr>
<tr>
<td>Civil Engineering (B.S.)</td>
<td>Mechanical Engineering (B.S.)</td>
</tr>
<tr>
<td>Computer Engineering (B.S.)</td>
<td>Nursing (B.S.)</td>
</tr>
<tr>
<td>Computer Science (B.S.)</td>

</tr>
<tr>
<td>Electrical Engineering (B.S.)</td>
<td>Pre-Economics</td>
</tr>
<tr>

<td>Pre-International Business</td>
</tr>
</tbody>
</table>

In order to ensure that students with specific major-related math requirements are able to progress through their degrees in a timely manner, enrollments during New Student Orientation in Math 115 – College Algebra and Math 125 – Precalculus will be restricted to the majors listed in the following table:

<table>
<thead>
<tr>

<td>Biological Science, Geology, Pre-business, Nursing, Public Health, and Kinesiology Majors</td>
</tr>
<tr>
<td>Math 125</td>
<td>All CECS and CNSM majors; Public Health and Kinesiology Majors</td>
</tr>
</tbody>
</table>

Although Kinesiology and Public Health majors are not required to take a Math GE class in their first semester, they will be allowed to register in Math 115 or Math 125 during New Student Orientation.

Once New Student Orientation is complete, the restrictions will be lifted and any remaining seats will be open to students from all majors.

CHEMISTRY PLACEMENT EXAM (CPE)

All students planning to enroll in Chemistry 120A General Chemistry are required to take the Chemistry Placement Exam (CPE) or have completed Chemistry 115 Introduction to General Chemistry or its equivalent, verified with an official transcript, with a grade of C or higher.

CHEMISTRY PLACEMENT EXAM (CPE)

Department of Chemistry and Biochemistry CPE Dates

Additional weekday testing dates are available for the CPE through the Department of Chemistry and Biochemistry. For more information and to register online, please visit nsm.fullerton.edu/testing/cpe.

TESTING CENTER CPE DATES

Pre-registration is required to take the CPE. There is no charge for the test. You must register either by mail or in-person to take CPE administered by Testing Services. For test dates and registration deadlines, check the testing center website: www.fullerton.edu/testing/cpe.

CPE DESCRIPTION:

The CPE may be taken only once a year. Test scores are valid for three consecutive semesters. You will have 45 minutes to complete the Chemistry Placement Exam (CPE). The CPE consists of 44 multiple-choice questions addressing basic concepts in arithmetic, algebra and high school chemistry. In scoring the test, only correct answers will be counted. A Periodic Table of elements and a table of abbreviations and symbols are provided in the test book. You may need them for some questions. All other data are given in the questions. Calculators are permitted but not essential. Cell phones are NOT allowed. BRING Picture ID with signature, (Driver’s license, passport) your CWID, sharpened #2 pencils with a large soft erasers and a nongraphing nonprogrammable calculator to the test session.

CPE RESULTS

Test results will be sent by email to a CSUF email address approximately one week after the test. The Department of Chemistry and Biochemistry will not give scores over the telephone.

CPE EXEMPTIONS

CHEM 115 EQUIVALENT

To be exempt from the CPE, students must have completed Chemistry 115 Introduction to General Chemistry or its equivalent with a grade of C or higher. If you have taken an equivalent chemistry course at another college, you must submit a copy of your transcript that displays the course grade earned and a course description from the college catalog to the Department of Chemistry and Biochemistry prior to
enrolling in Chemistry 120A General Chemistry.

AP AND IB CHEMISTRY EXEMPTION

Students who pass the AP Chemistry exam with a score of 3 or greater or receive a diploma for the IB Chemistry exam are eligible to enroll in CHEM 120A. Students who earn a score of 4 or greater on the AP Chemistry exam will be considered for enrollment in CHEM 120B. Students who want to establish their eligibility for CHEM 120A or 120B and have taken the AP or IB exam, should bring evidence of exam scores to the Chemistry Department.

COMPUTER SCIENCE PLACEMENT EXAM

The Computer Science curriculum begins with a three course sequence, CPSC 120,121,131, covering concepts of programming and data structures. You may have gained knowledge of these topics in a variety of ways, but do not have formal courses to transfer nor AP scores to submit. To validate your knowledge you may take the Computer Science Placement Examination to waive one or more of these courses. The test may be taken only once. Test scores are valid for two consecutive semesters.

There is no fee and picture identification is required.

...who are planning to take Mathematics 130 A Short Course in Calculus, Mathematics 135 Business Calculus or Mathematics 150 A Calculus 1 must complete four ALEKS PPL assessments and obtain an appropriate score on the fourth assessment. Access to ALEKS PPL can be obtained from the ALEKS icon or link in your student portal.

All other students (including all international, first-time freshmen), who plan to enroll in Mathematics 130 A Short Course in Calculus, Mathematics 135 Business Calculus or Mathematics 150A Calculus 1 must take the Mathematics Qualifying Exam (MQE) or have a department approved exception. No student will be enrolled in these mathematics courses unless he or she has already passed the MQE or is exempt. The examination scores are valid for two consecutive semesters. You must pass the MQE or be exempt before you can register for any of the above courses.

To be exempt from the MQE, students must have:

- For MATH 130 & 135
  A "C" or better in MATH 115 or 125 at CSUF or in an equivalent course from another college.

- For MATH 150A
  A "C" or better in MATH 125 at CSUF or in an equivalent course.

If you have taken an equivalent math course at another college, you must submit an unofficial copy of your transcript or course grade, a course description and a course syllabus to the Mathematics Department prior to registering for classes.

To register for the MQE, complete the MQE registration form, go to Student Business Services, GH-180 (Cashiers) and pay the $3 test fee by the registration deadlines shown. You will be emailed a confirmation ticket approximately one week after the Registration deadline. Stand-by registration on the day of the exam is allowed on a space-available basis. If you are unable to attend a test session, contact the Testing Center, 657-278-2288, at least 24 hours before the test date to transfer your registration to another test date. Sabbath observers and students who require special test accommodations due to a documented disability must make special arrangements with the Testing Center (GH-143) at least 4 weeks before the registration deadline.
For test dates and registration deadlines, check the Testing Center website: www.fullerton.edu/testing/mqe.

For further information regarding calculus courses and examination policies and results, contact the Department of Mathematics, MH-154, 657-278-3631.

**MUSIC**

**NEW UNDERGRADUATE MUSIC STUDENTS**

Refer to the School of Music website, fullerton.edu/arts/music/, especially the tab for "Prospective Students," for information pertaining to auditions, advising, and so on. All prospective undergraduate music majors MUST audition and be accepted as music majors before registering for applied music and ensemble classes. Students who have applied but not yet been accepted to the university may audition. Questions may be addressed to musicadmissions@fullerton.edu or (657) 278-3511.

**NEW GRADUATE MUSIC STUDENTS**

The Graduate Studies Program Advisor meets with incoming graduate students to advise them on coursework and scheduling auditions for their principal instruments and ensembles. Please contact the Graduate Advisor, Dr. John Koegel, jkoegel@fullerton.edu.

**UPPER-DIVISION WRITING REQUIREMENT (UNDERGRADUATE)**

The University requires that all students completing bachelor's degrees demonstrate writing ability acceptable for graduation. To meet the upper-division (e.g., 300 or 400 level) writing requirement, you must pass a specially designated upper-division "intensive writing course" or "thesis course" of at least three units, or pass two or more specially designated "complementary writing courses" for a total of at least six units.

**APPROVED UPPER-DIVISION WRITING COURSES**

The University Writing Proficiency Committee certifies the course, or courses, that each major department designates to fulfill the upper-division writing requirement. Departments and programs may specify a single "intensive writing course" of at least three units, which has writing as its primary objective and involves thorough instruction in writing, two or more "complementary writing courses" (for a total of at least six units) in which you are required to write one or more lengthy papers or several shorter ones involving the organization and expression of complex ideas, or a "thesis course" (for a total of three units), for which you produce a substantial written original work or individual research. In all of these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement by your instructor. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better. Please consult your advisor to find what upper division writing courses are certified to fulfill the upper-division writing requirement in your major.

**EXAMINATION**

Effective May 25, 2012, the EWP was eliminated as a graduation requirement for the undergraduate degree at California State University, Fullerton. However, graduate students whose program requires the EWP must continue to take this exam.

The Junior-Level Examination in Writing Proficiency (EWP) consists of an essay.

For test dates and registration deadlines, check the Testing Center website: www.fullerton.edu/testing/ewp.

To register for the EWP, pick up the registration form from the Testing Center (GH-143) and pay your fee at Student Business Services (GH-180) by 5 p.m. on the registration deadline date. Your EWP Confirmation Ticket with test day information will be emailed to your campus email address approximately one week after the registration deadline.

Sabbath observers and students requiring special accommodations due to a documented disability must make special arrangements with the Test Center (GH-143) at least 4 weeks prior to the registration deadline.

If you are unable to attend the test session that you registered for, contact the Testing Center (657) 278-2288 at least 24 hours before the test date for transfer or test refund information.

SCHEDULE OF CLASSES AND EXPLANATION OF CODE

All class schedule entries are subject to change without prior notice. Any added class offerings will be reflected in the online class schedule. Cancelled classes will be deleted from the online class schedule and any student enrolled in a class which must be cancelled will receive an email notification at his/her CSUF email address.

Anticipated/Pending Financial Aid must be enough to cover all tuition and fees.

If Anticipated/Pending Financial Aid is not enough, students will be required to pay the difference to avoid disenrollment from all classes.

IMPORTANT!
- Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web registration). In-person and mail-in payments are due by 5:00 PM on the date given by Titan Online after registering.
- The University is not responsible for delays in the US Postal Service: postmarks are not considered.
- If you have decided not to attend CSUF for the current semester, please contact Registration and Records to ensure that you are formally withdrawn from the University and no registration fees remain on your account. You are responsible for dropping all your classes in the event you are not disenrolled.
- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check both your financial aid application status and your student

account regularly by logging into Titan Online via your student portal (fullerton.edu) and click on your Titan Online "Student Center". Select "Account Inquiry" to view any current balances due.

- If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your additional fees by the due date. If payment in full is not received, all of your classes are subject to disenrollment.
- If your financial aid consists of loan funds, you must formally accept a Direct Loan before it can be included in the anticipated aid. In addition, new borrowers must fill out an online Master Promissory Note and go through an online loan entrance counseling.
- If you decline your loan and do not have other forms of financial aid, you are responsible for fee payment at the time you register.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- Students who register on/after the first day of instruction for any term will be assessed a $25.00 Late Registration Fee.
- For University refund policies and procedures, please go to sbs.fullerton.edu.

FINANCIAL AID

If you have applied for financial aid, you may be eligible to postpone payment of your registration fees and Tuition Installment Payment Plan (TIPP) until your financial aid has disbursed at the beginning of the semester. To qualify for postponement of your fee payment, you must meet the condition below:

1. You have accepted a financial aid award at the time you register for classes and you have enough anticipated aid to cover your tuition fees, and/or TIPP payment.
2. Most grant funds are automatically accepted on your behalf. Therefore, if State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant or Federal Supplemental Educational Opportunity Grant (FSEOG) are accepted on your account, those funds can be used as anticipated aid to lower what is due now on your account. Those monies will be automatically deducted at the time of disbursement.
3. You must formally accept a loan in order to use those funds as anticipated aid to lower what is due now on your account. If you have been offered a Federal Direct Loan or a Dream Loan, go to Titan Online and "View Financial Aid". Click on the "Accept/Decline Awards" link and follow the instructions to accept the loan.
4. The "Account Inquiry" page in Titan Online displays your fee charges and any anticipated financial aid. If you do not have enough anticipated financial aid available to offset your charges in full, you must pay the balance.

STUDENT RESPONSIBILITY FOR PAYMENT OF FEES

You are responsible for payment of your registration fees. If your financial aid award becomes unavailable for ANY reason or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. It is your responsibility to ensure that registration and tuition fees are paid in full. Check your student account regularly by logging into Titan Online via your student portal (fullerton.edu) and click on "Student Center".

- Select "Account Inquiry" to view any current balances due.

WITHDRAWAL 'W' GRADES

If you drop one or more courses after grant aid was disbursed to you or applied to your university account, you may be billed for some or all of the aid. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdraw from the university, we will calculate the amount of Federal financial aid you "earned" based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the university may be required to refund a portion of tuition and fees to one or more federal aid programs. For further information, contact the Office of Financial Aid at (657) 278-3125.

STUDENTS RECEIVING FEE ASSISTANCE

Applications and requests must be submitted according to program guidelines.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee to International Students and Scholars Office (Titan Hall, Suite 1123) at least five business days prior to your TITAN registration appointment.

- If this letter is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.
STATE REHABILITATION
Contact the Disability Support Services Office (GH-101) if you experience a disability-related barrier with registration. For additional information, call DSS at (657) 278-3112.

SPRING 2022 REGISTRATION
THINGS YOU SHOULD KNOW ABOUT REGISTRATION
• Titan Online is available 24/7. You may register beginning with your assigned appointment and continue accessing registration an unlimited number of times until the end of TITAN registration.
• You will not receive your registration appointment date/time via U.S. mail. To view your registration appointment, sign onto Titan Online and access your Student Center.
• The Class Schedule is up-to-date in real-time and available online.
• Once you have performed any type of registration activity, you should confirm your schedule by printing your schedule from your Student Center.
• All HOLDS must be cleared three business days prior to your registration appointment.
• DEADLINES for adding/dropping classes are listed on page 3 of this registration guide.
• For fee refund information, go to http://sbs.fullerton.edu.
• Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist. Please review "How Waitlisting Works" and "Waitlist Restrictions" on the following page.

TITAN ONLINE REGISTRATION INSTRUCTIONS
REQUIREMENTS
Check your student center in Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared prior to your TITAN registration appointment.

MAXIMUM UNITS- UNIVERSITY LIMITATION
Undergraduates are limited to a maximum of 18 units during TITAN registration. Classified graduate students not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

TITAN PIN
A "one-time-use" 6 digit number Personal Identification Number (PIN) is assigned to you. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you need assistance with your username or password, select the "need help signing in?" link immediately below the "sign in" button on the CSUF Portal Sign In web page.

TITAN APPOINTMENT
Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated in your Student Center represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.

HOLDS
Any holds will be listed on Titan Online Student Center. All holds must be cleared prior to your TITAN registration appointment.

CANCELLED CLASSES
If a class for which you have registered is cancelled by the department, you will receive an email notification at your CSUF email address. You may attempt to add another class during TITAN registration on or after your appointment time.

GRADING OPTION CHANGES
If grading for a course is listed as "Undergraduate Student Option", the course may be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under "Grading" at the time you enroll in the class. Grade option changes can be made online through approximately the second week of classes. The deadline is published on page 3 of the Registration Guide.

COURSE PREREQUISITES
Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

COURSE COREQUISITES
Some courses have course corequisites (see Class Notes in the online class schedule). You must register for
the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

**TEST SCORE PREREQUISITES**

Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this registration guide.

**WAITLISTING**

Waitlisting is available in all colleges. If a course is full, you may try to obtain a place in the class by placing yourself on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist. *

**HOW WAITLISTING WORKS**

1. The online waitlisting feature will cease to function with the end of the first week of class, but the waitlist will be retained for informational purposes for the instructor. There is no guarantee that the instructor will enroll you for the course even if you are on the waitlist.

2. Many classes offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.

3. The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.

4. You can waitlist for a maximum of 8 units, provided that each course's waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)

5. You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.

6. Students cannot waitlist the same lecture section or the same lab section more than once.

7. If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).

8. Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.

9. If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.

10. If you are moved from the waitlist into the class, you will receive an email notification.

11. If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections. If you are enrolled in a class, you will never be enrolled into any other section of the same class, nor will you be automatically removed from waitlists of the same class. If you prefer to be enrolled from a class for which you are waitlisted, you must first drop the class you are enrolled in to have the possibility of being enrolled in the preferred class section.

12. You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation due to a newly added class(es).

13. If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a 'WU' grade on your record, which will lower your grade point average.

14. There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time, instructors are not required to add students who were waitlisted for the class.

*With the exception of CPSC (Computer Science), who uses alternative criteria to determine waitlist priority after the first day of class. Please see the department for more details.

**WAITLIST RESTRICTIONS**

Students will be moved from the waitlist into the class if space becomes available and in the order placed, unless any of the following restrictions apply:

1. There is a **time conflict** with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already **enrolled in another section of the same course**. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

3. Enrollment from waitlist will exceed student's maximum unit limit for the term. Unit limits are...
viewable in the Student Center under enrollment details.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. **Check your schedule regularly in your Student Center to monitor your position on a waitlist.** If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

**TITAN SCHEDULER**

Students can now plan their schedule from anywhere with TITAN Scheduler! Students will be able to find the best schedule with streamlined class searches, visual schedule previewing, side by side comparisons and flexibility around planned breaks. Students can bring multiple schedules up side-by-side and compare options. The schedule planner provides a "Breaks" feature to allow students to block off times they are unable to take class, such as for jobs or athletics. Advisors can now focus on which courses students need to take, rather than the individual times in which to take them, alleviating advisors of tedious scheduling for students. There is a video tutorial in Titan Online as well as additional "help" resources available within TITAN Scheduler. Please note that class schedule information will be available in Titan Scheduler when the schedule is formally released to the campus and will not be available prior to that. Students need to simply access the TITAN Scheduler link from their Portal to begin optimizing their schedule today!
“Minicourses” are generally five weeks long and offered during four sessions throughout the semester. "Shortcourses" can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under "dates". Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN registration. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add or drop these courses after the semester begins must follow the published procedures in this schedule. Deadline information is available by selecting the calendar icon in front of the course listed in your schedule in the Student Center. Forms and/or information needed to complete the process may be obtained from the Registration and Records website at records.fullerton.edu. Information is also available by calling the Registration and Records Helpline at (657) 278-7601.

OPERATIONAL PLANS WITH COVID-19

In Spring 2022, CSUF will have the majority of classes meet in person (with whatever physical spacing, cleaning, and protective equipment that is dictated by the State and County guidelines). When you register, if the class is not in person, then the course modality will be on the schedule indicating one of these:

WEB-OF Fully Online instruction in either synchronous or asynchronous modes
WEB-OH Hybrid instruction (both online and in-person)
WEB-OC Online with Required Course Meetings (online with minimal in-person meetings)

Synchronous online courses require you to be online at a specific time that will be listed in the class schedule, whereas asynchronous online courses do not require you to be present at a specific time.

The Spring 2022 Registration Guide will be a useful resource for you at the following link:

Registration Procedures - Registration and Records | CSUF (fullerton.edu)

Registration and Records are here to help with a couple of tips to help you plan your spring semester.

- Since the mix of courses that you choose may be both virtual, hybrid and in person, make sure that you leave enough time between courses.
- If you have an online course directly after an in-person course, make sure that you have reliable access to wifi to be able to connect to your course. There are numerous wifi locations on campus.
- If you have any questions, please email us at arsc@fullerton.edu and we will be glad to assist.

CHANGES TO COURSE DELIVERY DUE TO COVID-19

1. **Face-to-Face/Traditional**, the class will be held on campus and instruction will occur within the classroom. If/when campus is closed to instruction due to public health concerns, these courses will be held virtually, as they were last semester.

2. Other classes may be virtual or fully online.
   
a. **Asynchronous**, which means that there will be instructional activities in which the instructor and/or some or all of the students engage in activities that are not necessarily occurring simultaneously. Students will not be required to be present at particular days and times. Asynchronous online classes will list "TBA" under the Days & Times.

<table>
<thead>
<tr>

<th>Room</th>
</tr>
</thead>
<tbody>
<tr>
<td>17566</td>
<td>50-LER</td>

</tr>
</tbody>
</table>

Classes that list both patterns will include a combination of synchronous and asynchronous activities.

b. **Synchronous**, which means that there will be instructional activities in which both the students and the instructor are present and engaged in the activities at the same time. You will need to be available at the days and times listed on the class schedule for these activities.
If you have not yet registered for fall classes, you will be able see the modality when searching for classes.
Below are images of the different types of classes that will appear in the course schedule:

1. **Face-to-Face/Traditional class that will be in-person when campus is open and virtual only if campus is closed:**

<table>
<thead>
<tr>
<th>Class</th>
<th>Section</th>
<th>Days &amp; Times</th>
<th>Room</th>

<tr>
<td>17218</td>
<td>01-LEC</td>
<td>MoWe 11:30AM - 12:45PM</td>
<td>GH 335 - Lecture Room</td>
</tr>
</tbody>
</table>

   When campus is open for in-person instruction this class will be held at the designated day, time, and location listed above. If campus is closed to instruction, virtual class sessions may be held synchronously at the above times and days.

2. **Virtual via web fully online all semester with all asynchronous instruction:**

<table>
<thead>
<tr>

<th>Section</th>
<th>Days &amp; Times</th>
<th>Room</th>
</tr>
</thead>
<tbody>
<tr>
<td>17566</td>
<td>50-LEC</td>

</tbody>

3. **Virtual via web fully online all semester with some or all synchronous instruction:**

</thead>
<tbody>
<tr>
<td>26932</td>
<td>01-ACT</td>
<td>MoWe 8:00AM - 8:50AM</td>
<td>WEB Fully Online Instruction</td>
</tr>
</tbody>
</table>

   Instruction is virtual via web fully online for the entire semester. Any synchronous online meetings will occur during the listed days and times.

Additional information about the course requirements can be found in the Notes section of the Class Detail.

Common Errors with Adding Classes

This article covers some common errors with adding classes and what they mean.

**Class is Full**

[Example: PSYC 300 - Intermediate Research Methods and Statistics]

Class 16180 is full. If a waitlist is available, select the 'Return to Class Preferences' link, select waitlist option, and resubmit your request.

This error means that the class has no open seats and you did not choose to add yourself to the waitlist (if available). Click **Return to Class Preferences** to check if a waitlist is available and add yourself to the waitlist.

**Requisites have not been met: Prerequisites**

[Example: PSYC 465 - Advanced Psychological Statistics]

Unable to add this class - requisites have not been met. Prerequisites: PSYC 201, PSYC 202, PSYC 300.

This error means that the pre-requisites for the class have not been met. A list of all the pre-requisites will be shown.

In the above example, PSYC 201, PSYC 202, and PSYC 300 must be complete (or in progress during the current semester when enrolling for the next semester) before enrolling in PSYC 465.

**Requisites have not been met: Corequisites**

[Example: EGEE 483 - Introduction to Global Positioning Systems (GPS)]

Unable to add this class - requisites have not been met. Corequisite: EGEE 409 or EGCP 371.

If you try to enroll in co-requisite classes one at a time, you will get an error. However, if you add the co-requisite classes to your shopping cart and then enroll, the enrollment for both classes should be successful.

This error means that co-requisites for the class have not been met. Co-requisites are classes you must take at the same time (e.g., a laboratory class that you take at the same time as the main class).

In the above example, to enroll in EGEE 483, you must also enroll in either EGEE 409 OR EGCP 371.
Department Consent Required

Department Consent Required means that the department needs to grant you permission to enroll in the class. Contact the department for more information on how to receive permission.

In the above example, it is a Psychology course, so you would contact the department of Psychology for assistance.

Hold (Negative Service Indicator)

Some holds (also known as negative service indicators) that are placed on your account prevent you from adding (or dropping) classes. You will need to view the hold details to find out what you need to do to clear the hold. When the hold is cleared, you will be able to enroll.

Time Conflict with other enrolled classes

If the scheduled time of a class conflicts with another class (or classes) that you have already enrolled in, you will not be able to enroll. For example, if you are enrolled in a class that meets Tuesdays and Thursdays from 8:30am - 9:45am, you will not be able to enroll in another class that meets on Tuesdays and Thursdays from 8:30am - 9:45am.

Exceeded Maximum Unit Limit

There are limits as to how many units that you can take each semester. If enrolling in a class will cause you to exceed your unit limit, you will not be able to enroll in the class.

If you want to drop one of your classes to enroll in the class, consider using the Swap Classes feature to drop the class only if you can add the new class.

Repeat Related Issues

If you have already taken this class and passed it, you may not be allowed to enroll in the class again.
COMMON ERRORS WITH ADDING CLASSES

Instructor Consent Required/Enrollment Deadline has passed

The Instructor Consent Required message indicates that the deadline has passed to use Titan Online to enroll. You will need to use the Late Add (Petition for Late Addition of Class) form located on the Registration and Records Forms webpage to enroll in any classes.

CALIFORNIA STATE UNIVERSITY
IMMUNIZATION REQUIREMENTS

By direction of the California State University Chancellor, the following immunization requirements must be completed by the end of a student's first semester. Students will be unable to register for a class for their second semester until requirements are met.

Incoming Freshmen who have graduated from a California High School in 2005 or later have fulfilled both requirements. If you are a transfer student you must meet the requirements below.

- **Measles and Rubella**: All students must show proof of immunity against Measles and Rubella if they were born after January 1, 1957.
- **Hepatitis B**: Students under the age of 19 on the census date must show proof of immunity against Hepatitis B (Census date is 4 weeks after the beginning of the semester).

MEETING THE REQUIREMENT

To fulfill the requirement, a student must do one of the following:

1. Upload written proof of immunization from a doctor, clinic, military record or school record to Student Wellness - Health Services via the Titan Health Online Portal at hcmw.fullerton.edu. You may also bring your record in person to Health Services (SHCC-W) or fax it with your name, phone number, and Campus Wide Identification (CWID) number to (657) 278-3069.
2. Obtain the vaccination from your private medical office, the County of Orange Health Care Agency, or Health Services. To receive the vaccination at Health Services, you may schedule an appointment, there is a fee. To inquire about the fees, please call (657) 278-2800. During registration there is a high demand for vaccinations, so please plan accordingly.
3. Obtain the Titer lab test for immunity if you think you have had the disease or immunization, but do not have proof. This can be done by your personal physician or at Health Services for a fee.

IMMUNIZATION WAIVERS

Permanent or temporary waivers may be granted to some students after appropriate approval:

- For other medical reasons, make an appointment with a Health Service provider or provide a signed note from your private physician/clinic and complete a waiver form

Medical records can also be faxed to 657-278-3069 or provided in person at Health Services. To schedule an appointment by phone please call 657-278-2800. Further information on immunization requirements can be found online at www.fullerton.edu/studentwellness/immunization/.

COVID-19 IMMUNIZATION REQUIREMENT

California State University (CSU) announced on July 27 that all CSU faculty, staff, and students at any university location must be immunized against the virus that causes COVID-19. The CSU's COVID-19 vaccination requirement allows students and employees to either upload their vaccine record or apply for a medical/religious (or personal held beliefs) exemption. Failure to upload a vaccine record or obtain an exception will result in a hold being placed on a student's account preventing enrollment in Spring courses. Important: Cal State Fullerton does not defer admissions. If a student is unable to enroll for the admitted term, they will need to reapply for a future term. For more information about the vaccine requirement, please visit the Titans Return website.
