IMPORTANT NOTICES TO ALL WINTER SESSION STUDENTS!

UPDATE YOUR CONTACT INFORMATION
You are required to keep your mailing address, e-mail address, and phone number current with the university to ensure that you receive all university communications. Your address can be updated online through your Titan Online Student Center. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at 657-278-3082.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus-wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent to you. For additional information about your e-mail account, contact the Student Information Technology Help Desk at (657) 278-8888. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your CSUF e-mail on a regular basis.

ALL DISCRIMINATION/HARASSMENT/TITLE IX/ADA COMPLAINTS
The University is committed to maintaining a positive learning, working and living environment free from discrimination, harassment, or retaliation. The California State University’s Nondiscrimination Policy and Sexual Harassment Policy requires compliance from the entire campus community. Inquiries concerning compliance with the Nondiscrimination Policy (p.10), Sexual Harassment Policy (p.10), or implementing campus procedures should be directed to the appropriate administrators that can assist in resolving complaints.

For inquiries about discrimination, harassment, and retaliation based on sex, gender, gender expression, or sexual orientation, please contact Sarah Bauer, Title IX Coordinator, CSUF, College Park, Suite 205, 657-278-2121 or visit fullerton.edu/titleix.

For inquiries about discrimination, harassment, and retaliation based on a disability or medical condition, please contact Blair Miles, DHR Administrator, CSUF, College Park, Suite 700, 657-278-4933; or visit hr.fullerton.edu/diiep/dhr.

Copies of the above policies and student grievance procedures are available in the offices of the President (CP-1000), Provost/Vice President for Academic Affairs (CP-1000), Vice President for Student Affairs (LH-805), Human Resources, Diversity & Inclusion (CP-700), Disability Support Services (GH-101), University Police (UPD-139), College Deans, Office of Student Life (TSU-247), Titan Athletics (Titan House), University Library Reference Desk (PLN) and WoMen’s Center (GH-205).

REPETITION OF COURSE POLICY
Beginning with the Fall 2009 semester there were changes to the repetition of course policy and the withdrawal policy. For further details, please refer to the following web page admissions.fullerton.edu (under “resources” click frequently asked questions).

CLASS DELIVERY DISCLAIMER
As information about COVID-19 continues to evolve, the CSU reserves the right to alter course delivery if it is in the best interest of the CSUF community, its safety and its health.

CSUF DEPARTMENTS AND OFFICE LOCATIONS
At the time of this publication, CSUF Staff and faculty continue to work remotely and are not available at the on-campus locations provided within this guide. While most campus departments are physically closed, many have transitioned to offer services virtually. Therefore, please refer to the websites, email addresses and/or phone numbers provided to contact a campus department, staff or faculty.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to The Student Conduct in the Dean of Students Office the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The Student Conduct in the Dean of Students Office shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The Student Conduct staff may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor's Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advising Center, Academic Appeals, Dean of Students Office, Disability Support Services, Financial Aid, International Education and Exchange, Student Wellness, University Learning Center, WoMen’s Center/Adult Re-entry, Veterans Resource Center, Writing Assistance Center, and Registration and Records.

CONFIDENTIALITY AND YOUR STUDENT INFORMATION
There have been significant changes to the Family Educational Rights and Privacy Act (FERPA) regarding students’ rights with respect to their educational records. Please see page 14 for FERPA information.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 3 of this guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS
The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No.16. Please see directive16.fullerton.edu.

CLASS SCHEDULE
The Winter Session 2022 class schedule is available online in your Titan Online Student Center or at fullerton.edu/schedule.

CLOSED CLASSES
A departmental permit is required to add a closed class.

COURSE SYLLABI
Course Syllabi, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the university catalog, must be provided to students in writing within the first five days of instruction. Course Syllabi shall give detailed information on the following matters:

1. Course material to be covered (e.g., reading list);
2. The grading policy for the course;
3. Class assignments (e.g., term papers-length, due date, projects);
4. Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5. Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, software, artistic materials, scientific apparatus, etc.

Winter Session 2022 Registration Guide
It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

DEGREE CANDIDATES

Candidates for the baccalaureate must file an application for a graduation check one year prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2022 must file by February 7, 2022. Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under “Graduation.”

Candidiates for May 2022 master’s and doctorate degrees must file a request for a graduation check on or before February 14, 2022. Complete information and instructions about the graduation check process for graduate students are available on the Office of Graduate Studies website, under Academics, Graduation Preparation.

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and submitting the form on the Graduation Studies website: www.fullerton.edu/graduate/academics/forms.php for graduate students.

FINAL EXAMINATIONS

During Winter Session, the final is held on the last day of class or as noted in the course syllabus.

GRADE OPTIONS

The University uses a combination of traditional and nontraditional grading options as follows:

**Traditional**

**Nontraditional**

CR - C (2.0) grade or better in undergraduate courses;  
B (3.0) or better in graduate courses  
NC - No credit

Students may indicate the grading basis for each course when they register. They have until the deadline published on page 3 of this registration guide to change an option. If grading for a course is listed as "Undergraduate Student Option", the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading basis. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Limited courses, which can be taken with the nontraditional grading basis, are available on the university website under “Graduation.”

Advisory Caution

Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.

INCOMPLETE AUTHORIZED (I)

The symbol “I” (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade at the time the incomplete is assigned, which would replace the “I” in the student’s record at the end of the one year deadline. Therefore, “I” grades that were earned for the spring 2021 semester must be completed by May 27, 2022. “I” grades assigned at the end of the fall 2021 semester must be completed by January 3, 2022.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

INTERNSHIPS AND COMMUNITY ENGAGEMENT

Earn course credit while gaining practical experience related to your major by registering for an academic internship or service-learning course. Check your department for requirements and prerequisites. Be sure to start early (sometimes a semester ahead), especially if an academic internship is a graduation requirement for your major. Many placements are available at businesses, nonprofit organizations and government agencies at locations throughout southern California and opportunities may also be available out of state or overseas.

Experiential learning opportunities are high impact practices that allow students to expand their knowledge, apply theories and skills learned in the classroom, prepare for successful entry into the job market, and develop as socially responsible citizens. Participating in high impact practices like internships and service-learning can keep students on track for graduation, and prepare them for meaningful careers. Additionally, academic internship and service-learning courses offer opportunities for students to:

- Build your résumé / portfolio
- Gain work and service experiences
- Network and develop industry contacts
- Earn academic credit
- Solidify academic and career goals
- Possibly earn money while learning
- Explore various career options within a major
- Demonstrate personal and social responsibility
- Become engaged in your community and the issues that matter to you.

To learn more about the opportunities available within your major, contact your department or visit the Center for Internships & Community Engagement in LH-206, open Monday through Friday 8:00 a.m. to 5:00 p.m. Information is online at fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances. Forms for requesting a leave of absence are available on the Graduate Studies website: fullerton.edu/graduate. Credential students must have completed at least one semester in residence at this university in order to qualify for a leave of absence. All graduate and credential leave requests must be submitted before the first day of classes.

NONDISCRIMINATION POLICY

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students” was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.

It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of a protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Orders 1096 and 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.

OPEN UNIVERSITY ENROLLMENT

Open University Enrollment provides an opportunity for people not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level courses. Registration is on a space-available basis and students must meet stated prerequisite requirements. Information is available from Extension and International Programs (EIP) at extension.fullerton.edu/ou/winter.aspx. Students enrolling through Open University are encouraged to contact Open University Advisors Suzanne Batista, sbatista@fullerton.edu (GH-123B, 657-278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (THALL-1123, 657-278-7844) with any questions prior to registering.

A maximum of 24 units earned through Open University may count towards a bachelor’s degree at CSUF. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor’s degree at CSUF. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than 3 units during a Winter Session term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY

Grade Forgiveness (16-unit limit)

An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7) or lower, only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus. Repeat policy will be automatically applied to courses repeated each semester during final grade processing at the end of the term.
Grades Averaged (12-unit limit)
An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

Maximum Repeat Limit (28 units)
The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation Against Repeat of Courses with ‘C’ Grade or Better
Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit”.

Regulation Against Repeat of a Course with an ‘I’ Currently on Record
A student may not re-enroll in a course for which he or she has received an ‘I’ until the ‘I’ has either been assigned a final grade, or been converted to an ‘IC’. For further information on Undergraduate Repeat Policy, see admissions.fullerton.edu/apps/faq.aspx.

SEXUAL HARASSMENT/SEXUAL MISCONDUCT POLICY
It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment and sexual misconduct of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and California Education Code Section 89535. CSU Executive Order 1097 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students”, CSU Executive Order 1096 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties” and CSU Executive Order 1095 “Systemwide Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy” prohibit sexual harassment within the CSU System. The University will take action to eliminate sexual harassment and similar behavior. Information concerning campus sexual harassment policies and procedures can be obtained from Sarah Bauer, Title IX Coordinator, College Park, Suite 205, 657-278-2121 or visit fullerton.edu/titleix.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER
Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. A student’s TitanCard number is not his or her identification number. Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration) and cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY
The stop-out policy allows undergraduate students and post-baccalaureate non-credential students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

Service members who are called to active duty or deployed should check with Veterans Resource Center at (657) 278-2373.

WITHDRAWAL LIMIT
Undergraduate students are limited to a maximum of 18 units of withdrawal (“W” on transcript) during their CSUF career, from Fall 2009 forward. “W”s earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit. See records.fullerton.edu/resources. Click on “Dropping or Withdrawing from a Course”.

WITHDRAWAL UNAUTHORIZED (WU)
University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course attendance without submitting an official approved withdrawal form online may result in a “WU” (Withdrawal Unauthorized) being assigned by the course professor. Please see the Registration Guide each term for the applicable census date.

*For winter session(s), the day after the drop deadline replaces the census date for purposes of application of this policy.
I. DIRECTIVE
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor, or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee, or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805, or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).

EMAIL ADDRESS
Each student has been issued an email address where university messages are sent to you. Student Business Services uses this email address as the primary communication mode to students. Be sure to check your email on a regular basis. For additional information about your email account, contact the Titan Help Desk at 657-278-8888.

FEE PAYMENT INSTRUCTIONS (ALL STUDENTS)
Check TITAN Online for the date(s) on which you are eligible to register. For questions regarding your registration appointment, please contact Registration and Records at 657-278-7601. If you have any holds on your accounts, you must resolve them at least three (3) business days before registering.

TITAN REGISTRATION PAYMENT DUE DATES
TITAN registration allows you to register for class first; however, your payment is due by 11:30 p.m. on the same day you register. If you do not pay your balance in full, you may be subject to disenrollment without notice.

FINANCIAL AID
Financial aid is not available for students attending the Winter Session. Financial aid is available to assist students with costs only during the standard fall, spring, and summer terms.

THIRD PARTY CONTRACTS
If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee to Extension and International Programs (THALL-1123) at least 3 business days prior to Your TITAN registration appointment. If this letter or voucher is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.

FEES AND DEBTS OWED TO THE INSTITUTION
Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).
Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact Student Business Services. Student Business Services, or another office on campus to which Student Business Services may refer the person, will review all pertinent information provided by the person and available to the campus, and will advise the person of its conclusions.

REFUND OF FEES
Dropping classes may entitle you to a fee refund. For further information, contact the Student Business Services Office or visit sbs.fullerton.edu/services/refunds.

**MISCELLANEOUS INFORMATION**

**CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS**

All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual's approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier's check, money order, or cash (refer to “Registration Fee Payment Information” on page 16-17 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

**DISHONORED CHECKS**

A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier's check or money order. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier's check, money order, or cash (refer to page 16-17, “Registration Fee Payment Information” for additional information).

**YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.**

**OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS**

Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Registration Fee Payment Information” on page 16-17 for more information.)

**PARKING INFORMATION**

For detailed information on parking policies, maps of parking lots, and much more visit the Parking & Transportation Services website at parking.fullerton.edu. Contact the P&TS Team Monday - Friday 8:00 a.m. to 5:00 pm by calling (657) 278-3082 or emailing parking@fullerton.edu.

The information below is intended to assist students in understanding the class schedule available at fullerton.edu/schedule.

1. All class schedule entries are subject to change without prior notice. Any added class offerings will be reflected in the online class schedule. Cancelled classes will be deleted from the online class schedule and any student enrolled in a class which must be cancelled will receive an email notification at his/her CSUF email address.

   The faculty member shown in the “faculty” column of this class listing is a tentative assignment, depending on schedule adjustments required by circumstances during registration.

2. **Class Notes** - When using the online schedule of classes search function, a list of section(s) appears. Select “the section” to see the class details. Under the class details is an area called “class notes” where special information of significance to the student is found. Some classes have prerequisites, while others require permission of the department or an instructor as noted under “Class notes”. If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

3. **Course Numbers** - The five-digit code number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. You register for a class with this number.

4. **Time of Course** - The times that courses begin and end are indicated in the class schedule.

• All units required on the student’s graduate study plan including transfer courses.
  [Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

CREDIT/NO CREDIT GRADING OPTION

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A plus” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS/MINUS GRADES AND TRANSFER ADMISSIONS
In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of “B plus” awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.
Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1100.

GRADING OPTION CHANGES

If grading for a course is listed as “Undergraduate Student Option”, the course can be taken either for a letter grade (A,B,C,D) or as credit/ no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. . The deadline for grade option changes is published on page 3 of the Registration Guide.

WAITLISTING

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist.

How Waitlisting Works

• Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.

• The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.

• You can waitlist for a maximum of 4 units, provided that the course’s waitlist is not already full. Note: waitlisted units are not included toward your enrollment unit. Once you successfully get into the class, then the units will count towards your enrollment limit.

• You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.

• Students cannot waitlist the same lecture section or the same lab section more than once.

• If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).

• Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.

• If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.

• If you are moved from the waitlist into the class, you will receive an email notification.

• You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class. It is important to check your class schedule and account summary regularly to avoid possible disenrollment due to non-payment of fees due to a newly added class.

• If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.

• There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.

• The online waitlisting feature will cease to function on Wednesday, December 18, but the waitlist will be retained for informational purposes for the instructor.

• Faculty may control access to “closed” classes starting with the first day of class according to academic department procedures.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless any of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. Check your schedule regularly in your Titan Online Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

OPEN REGISTRATION AND CHANGE OF PROGRAM
Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (page 3) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for fall 2021. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

Before registering for classes, please read the following instructions carefully.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 4 UNITS MAY BE TAKEN DURING THE ENTIRE WINTER SESSION TERM 2022.
A student, whose academic record justifies a study list of more than 4 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 4 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student’s health should be considered in planning a study program.

A Request For Excess Units form is available online at records.fullerton.edu/resources.

LATE REGISTRATION
Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Non-admitted students enrolling through Open University require permission from the instructor and department via electronic process. To access the electronic form go to http://records.fullerton.edu/resources/ scroll down to “Petitions” then click on UNIV PETN A – RETROACTIVE ADD. More information about Open University can be found at: extension.fullerton.edu/ou.

CLOSED CLASSES
When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 24). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Non-admitted students enrolling through Open University require approvals from the instructor and department to register into a closed or wait-listed section. Enrollment is processed based on space availability.

DROPPING CLASSES
If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES
Deadlines for adding/dropping classes and refund of fees are published on page 3 of this registration guide.
1. Face-to-Face/Traditional, which means that when campus is open to instruction the class will be held on campus and instruction will occur within the classroom. If/when campus is closed to instruction due to public health concerns, these courses will be held virtually, as they were in Fall 2021.

2. Other classes will be virtual, web fully online, for the entire semester, and class will not be held on campus even when campus opens to in-person instruction. Classes that are virtual, web fully online, for the entire semester can be either:

   2a. Asynchronous, which means that there will be instructional activities in which the instructor and/or some or all of the students engage in activities that are not necessarily occurring simultaneously. Students will not be required to be present at particular days and times. Asynchronous online classes will list “TBA” under the Days & Times.

   2b. Synchronous, which means that there will be instructional activities in which both the students and the instructor are present and engaged in the activities at the same time. You will need to be available at the days and times listed on the class schedule for these activities.

   Classes that list both patterns will include a combination of synchronous and asynchronous activities.

   If you have not yet registered for classes, you will be able see the modality when searching for classes.

   Below are images of the different types of classes that will appear in the course schedule:

   1. Face-to-Face/Traditional class that will be in-person when campus is open and virtual only if campus is closed:

      When campus is open for in-person instruction this class will be held at the designated day, time, and location listed above. If campus is closed to instruction, virtual class sessions may be held synchronously at the above times and days.
2a. Virtual via web fully online all semester with all asynchronous instruction:

### Processing Steps

#### Adding a Class

**Step 1:**
On the Add tab, select a registration term. Then click **Continue**.

If only one term is available to you for registration, you will not see this page and will be taken directly to step 2 below.

**Step 2:**
If you know the class number (i.e. 10004) you wish to add, enter it in the **Enter Class Nbr** field and then click **Enter**.

To search for classes, click **Search**.
### Step 2a:
Enter at least two search criteria when searching for a class.

On this initial search page you can search by:
- Subject
- Course number
- Course Career=Extended Education

Place a check mark next to **Show Open Classes Only** if you wish to view only open classes.

Click **Search**.

View the section of this guide on Refining Your Class Search to learn more about the **Additional Search Criteria** section.

### Step 2b:
The **Status** field will indicate the status of the class:
- Open ( ),
- Closed ( ),
- Wait List ( ▲ )

Select the class you want to add by clicking **Select Class**.
**Step 3:**  
For some classes, you can set your enrollment preferences such as taking a class for a letter grade or for credit/no credit or being added to a wait list if the class is full.

Confirm your enrollment by clicking on **Next**.

**Step 3a:**  
**Enrollment Options:**  
Some classes require a permission number in order to enroll, and if so, a row called “Permission Nbr” will appear where you must enter the permission number provided to you by the department in order to enroll.

Some classes offer a choice in grading option, and if so, there will be an arrow in the listed grading option and you may select a different grading option using that pull-down list at the time of enrollment. You could also change the grading option later using the "Edit" function.

Some classes offer a choice in the number of units, and if so, there will be an arrow in the listed number of units and you may select a different number of units using that pull-down list at the time of enrollment. You could also change the number of units later using the "Edit" function.
### Step 4:
A confirmation message will indicate the class has been added to your Shopping Cart.

To finish your enrollment, click **Proceed To Step 2 Of 3**.

Rather than enrolling in one class at a time, you could continue adding classes to your shopping cart until you are ready to “checkout” by proceeding to step 2 of 3.

### Step 5:
Review the course(s) you are enrolling in.

Click **Finish Enrolling** to complete your enrollment.

### Step 6:
If the class(es) are successfully added, your enrollment will be confirmed.

If there were problems with the enrollment in any of the classes you were attempting to add, those will also be listed along with the reason that enrollment was unsuccessful. Possible reasons an enrollment could be unsuccessful include: no seats remaining in the class, you have a registration hold, the class required permission, you did not meet the class requisites, etc.
**Refining Your Class Search**

On the Class Search screen, you can click on the green arrow icon (↑) next to Additional Search Criteria to expand your search options.

You can search for courses that meet special requirements by using the Course Attribute and Course Attribute Value fields.

The available attributes are:

- Interdisciplinary Programs
- Service Learning
- Writing Requirement

**Step 1:**
Click on the magnifying glass icon (🔍) next to **Course Attribute**.

**Step 2:**

**Step 1:**
To swap a class, navigate to the registration menu and then select Swap.

**Step 2:**
First select the class you wish to swap from the pull-down list of your enrolled classes.

This is the class you want to drop.

**Step 5:**
If the drop was successful, you will receive a confirmation message.

If the class(es) are successfully added, your enrollment will be confirmed.

If there were problems with the enrollment in any of the classes you were attempting to add, those will also be listed along with the reason that enrollment was unsuccessful. Possible reasons an enrollment could be unsuccessful include: no seats remaining in the class, you have a registration hold, the class required permission, you did not meet the class requisites, etc.
**Step 4:**
Make sure the class you are replacing and the class that you will take in its place are both correct.

Confirm the swap by clicking on **Finish Swapping**, or click **Cancel** to stay enrolled in the class you had wanted to replace.

**Step 5:**
If the swap is successful, you will receive a confirmation message.
**Editing a Class**

To make a change to the grading option or number of enrolled units of a variable unit class after you are already enrolled in the class, use the Edit function.

**Step 1:**
Select the Edit function and then select the class you want to edit from one of those listed in the “classes you are allowed to edit” section.

Editable classes include only those classes where you could change the grading option or variable units enrolled.

**Step 2:**
If the grading option can be changed, you will see a drop-down menu for the “Grading” option to select a different grading option.

If the units can be changed, you will see a drop-down menu for the “Units” option to select a different number of units.

After making your change(s), click on Next to continue.

In this example, the student opted to change the number of enrolled units from 1.00 to 2.00 and then clicked Next.

**Step 3:**
Click Finish Editing to complete the change or Cancel to leave the enrollment unchanged.
