This university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section have been enrolled.
IMPORTANT NOTICES
TO ALL SUMMER STUDENTS!

EARLY START PROGRAM
The Early Start Program serves CSU admitted freshmen who have not demonstrated proficiency in written communication and/or mathematics/ quantitative reasoning as determined by systemwide placement standards. Participation in the Early Start Program is required for students needing skills development in these areas; students will be expected to enroll in a written communication course or a mathematics/quantitative reasoning course (but not both) during the summer period prior to the start of the fall term. Students required to participate in the Early Start Program may choose to enroll at any CSU campus; the earned baccalaureate credit will be transferred seamlessly to the student’s destination campus.

The goals of the Early Start Program are to:

- Better prepare students in written communication and mathematics/quantitative reasoning before the start of the fall semester of the freshman year;
- Add an important and timely assessment tool in preparing students for college; and
- Improve the opportunity for students to successfully complete their college degrees.

For additional information, contact ESP at esp.fullerton.edu

SPECIAL OPPORTUNITY FOR ENGLISH
A special opportunity for summer school students only! The English Department will be offering a limited number of sections of English 100/100W—Analytical College Writing. This 4-unit course (3-unit “lecture” and 1-unit corequisite workshop) is intended for students who are recommended to complete Early Start English. This course includes supported instruction and is limited to students who have been placed by multiple measures into a supported-instruction GE Written Communication course. Because of the unique nature of this summer experience, students placed into this course—students who are recommended, but not required, to complete Early Start English—who do not take advantage of the opportunity will be required to complete additional units during the academic year. Students recommended to complete Early Start English who do not take advantage of this 4-unit summer course will instead need to complete a 6-unit sequence in their first year: ENGL 101P in the Fall, followed by ENGL 101 in the Spring. For students whose Written Communication placement enables them to take advantage of this course, enrolling in ENGL 100/W, offered only during the summer, will save both time and money.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages are sent to you. For additional information about your e-mail account, contact (657) 278-8888. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your CSUF e-mail account on a regular basis.

UPDATE YOUR CONTACT INFORMATION
You are required to keep your mailing address, e-mail address, and phone number current with the university to ensure that you receive all university communications. Your address can be updated online through your Titan Online Student Center. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking & Transportation Services at (657) 278-3082 or parking@fullerton.edu.

OPERATIONAL PLANS WITH COVID-19
California State University, Fullerton will operate in compliance with the CSU-wide planning approach. Please check the Titans Return website, http://coronavirus.fullerton.edu/ for the latest updates regarding campus operations and class delivery in Summer Session 2021.

Although this Registration Guide was prepared on the basis of the best information available at the time, all information including class meeting times and locations, faculty, course offerings and statements of fees is subject to change without notice or obligation. The university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled. This Registration Guide is published by the Office of Registration and Records.

GRADUATE STUDIES

Cal State Fullerton offers outstanding opportunities for students to pursue a graduate degree. CSUF offers graduate degrees, including two doctoral programs, as well as nine programs entirely online. Please visit fullerton.edu/graduate for more information and a list of programs.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisers in each major department, College Student Success Team, and in the Academic Advisement Center (GH-123B) or visit www.fullerton.edu/aac/ assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in (GH-123B) or visit www.fullerton.edu/aac/. Advising is offered on a walk-in basis Monday through Friday and all students must run a current copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentation for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disability Support Services, Financial Aid, International Education and Exchange, Student Wellness, University Learning Center, WoMen’s Center/Adult Re-entry/Veterans Resource Center, Writing Center, and Registration and Records.

CONFIDENTIALITY AND YOUR STUDENT INFORMATION
There have been significant changes to the Family Educational Rights and Privacy Act (FERPA) regarding students’ rights with respect to their educational records. Please see page 14 for FERPA information.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 2 of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS
The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No.16. Please see directive16.fullerton.edu.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the session.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings. For students enrolled in online, hybrid, or televised courses, meetings are defined as logging on to the course on the Learning Management System (e.g. CANVAS). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLASS SCHEDULE
The Summer Session 2021 class schedule is available online in your Titan Online Student Center or at fullerton.edu/schedule. An explanation of the codes used in the online class listing is on page 21 of this registration guide.

CLOSED CLASSES
A departmental permit is required to add a closed class.

CONTINUOUS ENROLLMENT - GRADUATE STUDENTS WITH MASTER’S DEGREE OBJECTIVES
A student with a graduate degree objective must maintain continuous enrollment (summer sessions and winter session excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence may register in Graduate Studies 700, which gives no units of credit and does not require class attendance.

A graduate student who fails to register and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the university and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units). Students must notify their Graduate Adviser if they need to enroll in GRAD 700.
If you are unsure as to whether GRAD 700 applies to your situation, contact your Program Adviser.

CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES
A postbaccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

COURSE SYLLABI
Course Syllabi, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the university catalog, must be provided to students in writing within the first five days of instruction. Course syllabi shall give detailed information on the following matters:

1) Course material to be covered (e.g., reading list);
2) The grading policy for the course;
3) Class assignments (e.g., term papers-length, due date, projects);
4) Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5) Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

DEGREE CANDIDATES
Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for January 2022 must file by September 5, 2021. Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under “Graduation.” Candidates for January 2022 master’s and doctorate degrees must file a request for a graduation check on or before September 13, 2021. The form to accomplish this is available on your student portal under “Self Service” (click on Other Academics).

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students. Graduate students can submit the Graduation Date Change form found here: http://www.fullerton.edu/graduate/graduation/forms.php.

FINAL EXAMINATIONS
During the summer sessions, the final is held on the last day of class or as noted on the course syllabus.

GRADE OPTIONS
The University uses a combination of traditional and nontraditional grading options as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Nontraditional</th>
<th>Traditional</th>
</tr>
</thead>
<tbody>
<tr>
<td>CR - C</td>
<td>(2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses</td>
<td>Letter Grades: A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F</td>
</tr>
<tr>
<td>NC - No credit</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Students may indicate the grading basis for each course when they register. They have until the deadline published on page 2 of this registration guide to change an option. If grading for a course is listed as "Undergraduate Student Option," the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading basis. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Limited courses with a grade of CR may be used for the master’s or doctorate degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

ADVISORY CAUTION
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.

INCOMPLETE AUTHORIZED (I)
The symbol “I” (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade at the time the Incomplete is assigned, which would replace the “I” in the student’s record at the end of the one year deadline. Therefore, “I” grades that were earned for the fall 2019 semester must be completed by January 2, 2021. “I” grades assigned at the end of the spring 2020 semester must be completed by May 21, 2021.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of Incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assures the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or
designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree unless written approval is obtained by the appropriate college dean. Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

INTERNSHIPS AND COMMUNITY ENGAGEMENT

Earn course credit while gaining practical experience related to your major by registering for an academic internship or service-learning course. Check your department for requirements and prerequisites. Be sure to start early (sometimes a semester ahead), especially if an academic internship is a graduation requirement for your major. Many placements are available at businesses, nonprofit organizations and government agencies at locations throughout southern California and opportunities may also be available out of state or overseas.

Experiential learning opportunities are high impact practices that allow students to expand their knowledge, apply theories and skills learned in the classroom, prepare for successful entry into the job market, and develop as socially responsible citizens. Participating in high impact practices like internships and service-learning can keep students on track for graduation, and prepare them for meaningful careers. Additionally, academic internship and service-learning courses offer opportunities for students to:

- Build your résumé / portfolio
- Gain work and service experiences
- Network and develop industry contacts
- Earn academic credit
- Solidify academic and career goals
- Possibly earn money while learning
- Explore various career options within a major
- Demonstrate personal and social responsibility
- Become engaged in your community and the issues that matter to you.

To learn more about the opportunities available within your major, contact your department or visit the Center for Internships & Community Engagement in LH-206, open Monday through Friday 8:00 a.m. to 5:00 p.m. Information is online at fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available on the Graduate Studies website: fullerton.edu/graduate. Credential students must have completed one semester in residence to qualify for a leave of absence. Leaves must be submitted before the first day of classes.

NONDISCRIMINATION POLICY

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students” was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.

It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Orders 1096 and 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.

OPEN UNIVERSITY ENROLLMENT

Open University Enrollment provides an opportunity for people not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level courses. Registration is on a space-available basis and students must meet stated prerequisite requirements. Information is available from Extension and International Programs (EIP) at extension.fullerton.edu. Students enrolling through Open University are encouraged to contact Open University Advisors Suzanne Batista, sbatista@fullerton.edu (GH-123B, 657-278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (THALL-1123, 657-278-7644) with any questions prior to registering.

A maximum of 24 units earned through Open University may count towards a bachelor’s degree at CSUF. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor's degree at CSUF. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more
than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY

Grade Forgiveness (16-unit limit): An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7) or lower, only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus. Repeat policy will be automatically applied to courses repeated each semester during final grade processing at the end of the term.

Grades Averaged (12-unit limit): An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student's GPA.

Maximum repeat limit (28 units): The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation Against Repeat of Courses with ‘C’ Grade or Better: Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit”.

Regulation Against Repeat of a Course with an ‘I’ Currently on Record: A student may not re-enroll in a course for which he or she has received an “I” until the “I” has either been assigned a final grade, or been converted to an “IC”. For further information on Undergraduate Repeat Policy, see admissions.fullerton.edu/apps/faq.aspx

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. A student’s Titan Card number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or when appropriate (other than mail-in or drop-off registration) and cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credential students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton. Service members who are called to active duty or deployed should check with the Veterans Resource Center at (657) 278-2373.

WITHDRAWAL LIMIT

Undergraduate students are limited to a maximum of 18 units of withdrawal ("W" on transcript) during their CSUF career, from Fall 2009 forward. "Ws" earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit. See http://records.fullerton.edu/resources/. Click on “Dropping or Withdrawing from a Course”.

WITHDRAWAL UNAUTHORIZED (WU)

University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course attendance without submitting an official, approved withdrawal form online, may result in a “WU” (Withdrawal Unauthorized) being assigned by the course professor. Please see the Registration Guide each term for the applicable census date.

*For summer session(s), the day after the drop deadline replaces the census date for purposes of application of this policy.

When a WU is assigned, the grading basis selected by the student at the time of registration for the course determines what displays on the student transcript:

- If the student registered for the class with a grading basis of ‘letter grade’, the symbol on the CSUF transcript appears as W, and is equivalent to an F in GPA calculations.
- If the student registered for the class with a grading basis of ‘credit/no credit’, an assigned ‘WU’ would be recorded as NC* which does not impact GPA calculations.

NOTE: The grading basis available for a class depends on how the course is being offered. Some courses are offered as ‘letter grade only’, some as ‘credit/no credit only’ and some courses offer students a choice of either ‘letter grade’ or ‘credit/no credit’ as the grading basis.

In the first semester at CSUF that a WU is assigned to a student, any and all WUs that are posted to the student record during the final grading period for that semester are automatically converted to a W during the grading cycle at the end of that term. The student is notified that this is a “one time only” provision. This auto-conversion will not occur in future semesters.

For future occurrences, students may petition for retroactive withdrawal from courses that have been assigned a WU or NC* by using the retroactive withdrawal petition process when serious and compelling circumstances occurred during the semester being petitioned. A serious and compelling reason is defined as a physical, medical, emotional or other condition which has the effect of limiting the student’s full participation in the class and which is clearly beyond the student’s control.

For further information, please contact Registration and Records in LH-114.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

President's Directive No. 17
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

I. DIRECTIVE
The Family Educational Rights and Privacy Act ("FERPA") and California State University Executive Order 796 ("EO 796") afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedence.

II. AUTHORITY

III. SCOPE
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. DEFINITIONS
A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, past and present participation in recognized activities. Directory information also includes height and weight if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor, or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee, or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV.A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student’s Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805, or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. ACCOUNTABILITY
A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Anticipated/Pending Financial Aid must be enough to cover all tuition and fees. If Anticipated/Pending Financial Aid is not enough, students will be required to pay the difference to avoid disenrollment from all classes.

Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web Registration). In Person and mail-in payments are due by 5:00 PM on the date given by Titan Online after registering.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee or voucher to Extension and International Programs, THALL-1117 at least three (3) business days prior to your TITAN registration appointment. If this letter or voucher is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact the Student Business Services Office or another office on campus to which Student Business Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

IMPORTANT!

- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check your student account regularly by logging into Titan Online via your student portal (www.fullerton.edu) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- The University is not responsible for delays in the U.S. Postal Service; postmarks are not considered.
- You may be subject to disenrollment from ALL of your classes if your payment is not received by the due date. If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your additional fees by the due date. If payment in full is not received, all your classes are subject to disenrollment.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- A $25.00 Late Registration Fee will be assessed for students who register on or after the first day of each Summer Session.

REFUND OF FEES

Dropping classes may entitle you to a fee refund.

For further information, please contact Student Business Services at (657)278-2495 or sbs@fullerton.edu. Please be sure to provide us with your full name and CWID number so that we may access your account.
CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS
All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual’s approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Fee Payment Instructions” on page 16 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check or money order. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to page 16, “Fee Payment Information” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Fee Payment Information Instructions” on page 16 for more information.)

FINANCIAL AID

SUMMER PROGRAMS
Limited funds are available for summer enrollment. If you were enrolled through the main campus of CSUF during the fall 2020 and/or spring 2021 semester(s) and you did not receive the maximum annual Federal Pell Grant or Federal Loans, you may be eligible to receive the unused portion for your summer costs. If you have not used your lifetime maximum eligibility for Pell grant and are enrolled at least half-time for summer, you may be eligible for a summer Pell grant, even if you received your full Pell award for fall 2020 and spring 2021. A limited amount of grant funds (Summer Session Grant) are available for students whose Expected Family Contribution (EFC) for 2020-21 was 0, who are matriculated in state-support programs and with priority for seniors. See the section below under “Enrollment Requirements” for more details. Eligibility is contingent on your meeting eligibility criteria for each aid program.

CALIFORNIA DREAM ACT (CDA) APPLICANTS
CDA applicants are only eligible for and will be considered for Summer Session Grant. They must have a valid 2020-21 CDA application on file prior to Summer registration, and priority is given to graduating seniors with a 0 EFC enrolled in at least 6 units. Eligible students will be notified of their eligibility via campus email, with further instructions.

QUALIFICATIONS
If you are a continuing CSUF student, you must have a valid Free Application for Federal Student Aid (FAFSA) on file at CSUF. Your summer eligibility will be based on your 2020-2021 FAFSA data. Federal loans will be available only if you have remaining annual loan eligibility after spring 2021.

APPLICATION PROCESS
There is no separate application that must be filed as summer aid eligibility is based on the student’s valid 2020-21 FAFSA data and any remaining eligibility for Pell Grant or loan funds. Students who are determined eligible for the Summer Session Grant will be notified of their eligibility via campus email. Students who have remaining loan eligibility (they have not borrowed their annual loan limit for 2020-21) should submit the Summer Loan Request Form located at the CSUF Financial Aid Office website. Complete procedures for summer aid are available beginning in March 2021 at the CSUF Financial Aid website fullerton.edu/financialaid.

ENROLLMENT REQUIREMENTS
Minimum enrollment to receive a loan is six (6) units. Minimum enrollment to receive a Federal Pell Grant is determined by your Expected Family Contribution (EFC). Priority for Summer Session Grants will be given to students enrolled in a minimum of 6 units. Summer Session Grant funds will be awarded first to upper division students with priority given to seniors who meet the eligibility criteria.

REGISTRATION AND TUITION FEES
At the completion of your TITAN registration, if your financial aid award is not yet determined or if it is insufficient to pay your full fees, you will be instructed of the amount due and the due date. If your financial aid award amount is sufficient to pay your fees in full, your fees will be paid automatically when your financial aid is disbursed.

FINANCIAL AID DISBURSEMENT
In most cases, payment will be issued once your first summer session course has begun. If you have any funds remaining after your summer registration and tuition fees have been credited, a balance check or direct deposit will be issued to you.

WITHDRAWALS
If you receive a Federal Pell Grant for summer 2021 and you drop one or more classes before the end of the session, you may be required to repay part or all of the Federal Pell Grant funds you received. If you receive Federal Pell Grant or Federal Loan for summer 2021 and you withdraw from all courses before the 60% point of the term, we will calculate the portion of financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received and the University may be required to refund a portion of your fees to one or more federal aid programs.

SATISFACTORY ACADEMIC PROGRESS
To maintain eligibility for financial aid, you must demonstrate satisfactory academic progress by completing the courses in which you enroll and earning a passing grade in each course. Refer to the Satisfactory Academic Progress policy available on the web at fullerton.edu/financialaid.

SCHEDULE OF CLASSES AND EXPLANATION OF CODES

The information below is intended to assist students in understanding the class schedule available at fullerton.edu/schedule.

1. All class schedule entries are subject to change without prior notice. Any added class offerings will be reflected in the online class schedule. Canceled classes will be deleted from the online class schedule and any student enrolled in a class which must be canceled will receive an email notification at his/her CSUF email address.

The faculty member shown in the “faculty” column of this class listing is a tentative assignment, depending on schedule adjustments required by circumstances during registration.

2. Class Notes - When using the online schedule of classes search function, a list of section(s) appears. Select “the section” to see the class details. Under the class details is an area called “class notes” where special information of significance to the student is found. Some classes have prerequisites, while others require permission of the department or an instructor as noted under “Class notes”. If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

3. Course Number - The five-digit code number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. You register for a class with this number.

4. Time of Course - The times that courses begin and end are indicated in the schedule.

5. Day Code Explanation

GRADING STANDARDS IN GENERAL EDUCATION (GE)
• A grade of “C minus” (1.7) or better is required to satisfy GE requirements in:
  • Oral Communications (category A1)
  • Written Communications (category A2)
  • Critical Thinking (category A3) and
  • Mathematics / Quantitative Reasoning (category B4)

  [A grade of “D plus” (1.3) or lower is not a passing grade.]

• A grade of “D” (1.0) or better is required to satisfy all other GE requirements. [A grade of “D minus” (0.7) or lower is not a passing grade.]

GRADING STANDARDS IN UPPER DIVISION WRITING REQUIREMENT (UNDERGRADUATES)
• A grade of “C” (2.0) or better is required to satisfy the upper division writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]

GRADING STANDARDS IN GRADUATE PROGRAMS
• A grade of “C” (2.0) or better in each course in the graduate study plan. [A grade of “C minus” (1.7) or lower is not a passing grade.]

  [Some departments may have higher grading standards for some study plan courses-consult your graduate advisor.]

• A grade of “C” (2.0) or better in course(s) that are used to meet the writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]

GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS
An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master’s degree. This average applies to:
• All 400- and 500-level units attempted subsequent to admission to a degree program; and
• All units required on the student’s graduate study plan including transfer courses.

[Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

CREDIT/NO CREDIT GRADING OPTION
For undergraduate students, “Credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A plus” thru “C”). “No Credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C minus” thru “F”).

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A plus” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS/MINUS GRADES AND TRANSFER ADMISSIONS
In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of “B plus” awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1100.
**SUMMER 2021 REGISTRATION FOR CSUF STUDENTS**

**THINGS YOU SHOULD KNOW ABOUT REGISTRATION**

- **Titan Online** is available 24/7. You may register beginning with your assigned appointment and continue accessing registration an unlimited number of times until the end of TITAN registration.
- You will not receive your registration appointment date/time via U.S. mail. To view your registration appointment, sign onto Titan Online and access your Student Center.
- The Class Schedule is up-to-date in real-time and available online.
- Once you have performed any type of registration activity, you should confirm your schedule by printing your schedule from your Student Center.
- All **Holds** must be cleared three (3) business days prior to your registration appointment.
- **DEADLINES** for adding/dropping classes are listed on page 2 of this registration guide.
- For fee refund information, go to sbs.fullerton.edu.

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist. Please review “How Waitlisting Works” and “Waitlist Restrictions” on page 25.

**TITAN ONLINE REGISTRATION INSTRUCTIONS**

**REQUIREMENTS**

- Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three business days prior to your TITAN registration appointment. You will access registration via your student portal.
- **TITAN PIN** – A “one-time use” Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you need assistance with your username or password, select the “need help logging in?” link immediately below the “log in” button on the CSUF Portal Log In webpage.
- **TITAN APPOINTMENT** – Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.

**Holds** - Any holds will be listed on Titan Online Student Center. All holds must be cleared three business days prior to your TITAN registration appointment.

**Cancelled Classes** - If a class for which you have registered is cancelled by the department, you will receive an email notification at your CSUF email address. You may attempt to add another class during TITAN registration on or after your appointment time.

**Grading Option Changes** - If grading for a course is listed as “Undergraduate Student Option”, the course can be taken either for a letter grade (A, B, C, D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. Grade option changes can be made online. The deadline for grade option changes is published on page 2 of the Registration Guide.

**Course Prerequisites** - Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

**Course Corequisites** - Some courses have course corequisites. (See Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

**Test Score Prerequisites** - Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. For more information, go to fullerton.edu/testing.

**Parking Information** - Use the provided link in Titan Online to purchase a parking permit.

**Financial Aid Recipients** - Refer to page 18 of this registration guide.

**State Rehabilitation and Veteran's Administration Vocational Rehabilitation** - Contact the Disability Support Services Office (GH-101) if you need assistance with registration.

**Private Company Scholars** - Submit an authorization or a purchase order from your employer to the EIP Student Services Office (THALL-1117) at least three (3) business days prior to your TITAN registration appointment.

**TITAN Scheduler** - Students can now plan their schedule from anywhere with TITAN Scheduler! Students will be able to find the best schedule with streamlined class searches, visual schedule previewing, side by side comparisons and flexibility around planned breaks. Students can bring multiple schedules up side-by-side and compare options. The schedule planner provides a “Breaks” feature to allow students to block off times they are unable to take class, such as for jobs or athletics. Advisors can now focus on which courses students need to take, rather than the individual times in which to take them, alleviating advisors of tedious scheduling for students. There is a video tutorial in Titan Online as well as additional “help” resources available within TITAN Scheduler. Please note that class schedule information will be available in Titan Scheduler when the schedule is formally released to the campus and will not be available prior to that. Students need to simply access the TITAN Scheduler link from their Portal to begin optimizing their schedule today!
Payment Procedure – Payment must be made by payment due date. Please refer to pages 16-17 for fee payment information.

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received by the payment due date.

Refunds - Please go to sbs.fullerton.edu to review the refund policies.

Registration Problems/Questions - If you need assistance with registration, please call the Registration and Records Service Center (657) 278-7601.

LAST DAY TO REGISTER FOR SUMMER Varies based on session start date - refer to page 2

TITAN Online is available 24/7, March 22 - July 9. You can add classes in sessions that haven’t begun, drop classes prior to published deadline, view available classes and the fee amount due.

Helpline hours are Monday - Friday 9:00 a.m. - 12:00 p.m. and 1:00 p.m. - 3:00 .pm.

OPEN REGISTRATION AND CHANGE OF PROGRAM
Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (page 2) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for spring 2021. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

Before registering for classes, please read the following instructions carefully.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 16 UNITS MAY BE TAKEN DURING THE ENTIRE SUMMER TERM 2021.
A student, whose academic record justifies a study list of more than 16 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 16 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student’s health should be considered in planning a study program.

A Request For Excess Units form is available online at records.fullerton.edu/resources.

LATE REGISTRATION
Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Non-admitted students enrolling through Open University requires permission from the instructor and department on a paper registration form. Go to ou.fullerton.edu.

CLOSED CLASSES
When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 25). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Non-admitted students enrolling through Open University require approvals from the instructor and department to register into a closed or wait-listed section. Enrollment is processed based on space availability.

DROPPING CLASSES
If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES
Deadlines for adding/dropping classes and refund of fees are published on page 2 of this registration guide.

PAYMENT DEADLINES FOR CSUF STUDENTS

PAYMENT INFORMATION
Payment must be made by the payment due date. Please refer to pages 16-17 for fee payment information.

IMPORTANT NOTE: Students are subject to disenrollment if payment is not received by the payment due date.

WAITLIST

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist.

HOW WAITLISTING WORKS

• Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
• The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
• You can waitlist for a maximum of 4 units, provided that each course’s waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
• You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
• Students cannot waitlist the same lecture section or the same lab section more than once.

• If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
• Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
• If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
• If you are moved from the waitlist into the class, you will receive an email notification.
• If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
• You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation of added class(es).
• If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record which will lower your grade point average.
• There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
• The online waitlisting feature will cease to function for all sessions at 11:59 p.m. on Thursday, May 27, 2021. The waitlist will be retained for informational purposes for the instructor.
• Faculty may control access to “closed” classes starting with the first day of class according to academic department procedures.

WAITLIST RESTRICTIONS

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless either of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class.

Check your schedule regularly in your Titan Online Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.
1. **Face-to-Face/Traditional**, which means that when campus is open to instruction the class will be held on campus and instruction will occur within the classroom. If/when campus is closed to instruction due to public health concerns, these courses will be held virtually, as they were in Fall 2020.

2. Other classes will be virtual, web fully online, for the entire semester, and class will not be held on campus even when campus opens to in-person instruction. Classes that are virtual, web fully online, for the entire semester can be either:

   2a. **Asynchronous**, which means that there will be instructional activities in which the instructor and/or some or all of the students engage in activities that are not necessarily occurring simultaneously. Students will not be required to be present at particular days and times. Asynchronous online classes will list “TBA” under the Days & Times.

   2b. **Synchronous**, which means that there will be instructional activities in which both the students and the instructor are present and engaged in the activities at the same time. You will need to be available at the days and times listed on the class schedule for these activities.

If you have not yet registered for classes, you will be able see the modality when searching for classes.

Below are images of the different types of classes that will appear in the course schedule:

1. **Face-to-Face/Traditional** class that will be in-person when campus is open and virtual only if campus is closed:

   ![HIST 110A - World Civilizations to the 16th Century](image)

   When campus is open for in-person instruction this class will be held at the designated day, time, and location listed above. If campus is closed to instruction, virtual class sessions may be held synchronously at the above times and days.
2a. Virtual via web fully online all semester with all asynchronous instruction:

Online instruction is asynchronous for the entire semester.

2b. Virtual via web fully online all semester with some or all synchronous instruction:

Instruction is virtual via web fully online for the entire semester. Any synchronous online meetings will occur during the listed days and times.

Additional information about the course requirements can be found in the Notes section of the Class Detail.

If you have already registered, information about the modality of your class will be available in your Student Center and if there has been a change in the modality of your course the instructor or department will email you. To access your schedule do the following:

1) Log into your student center and select ‘My Class Schedule.’
