Policy
 A student whose academic record justifies a study list in excess of 4 units may request to enroll for up to 2 additional units. In general, only students with superior academic records are allowed to enroll for more than the maximum. In addition, the need to enroll for the extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student's health should be considered in planning a study program.

A student's request to enroll for more than 4 units must be approved by the **student's advisor and the department chair of the major**.

Undeclared majors must receive the approval of the Assistant Director of Academic Advisement in GH-123. If the request is denied, an appeal may be made to the appropriate college dean.
